

TYWARDREATH & PAR PARISH NEIGHBOURHOOD PLAN

Good news

Cornwall Council has given us informal feedback on the draft Neighbourhood Plan (NP). There are a few suggestions, but it is all positive and the environmental section is described as “excellent”.

This though is only the first stage in the examination process. After amending this draft version of the NP, we will share it with parish residents. Everyone can make comments and we will seek the views of statutory bodies like Historic England, South West Water and neighbouring parish councils. When all the feedback is in, we amend the NP again.

Cornwall Council sends the third updated version off to the External Examiner who gives their opinion. And yes, we then have to amend it yet again, before asking parish residents whether they support the final version. As you can see, we have a way to go yet and

We are running out of steam!

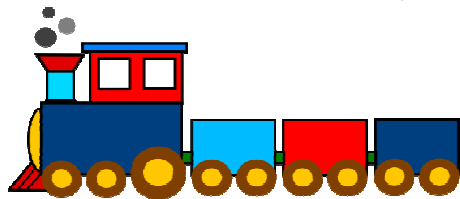

We are a small group of volunteers and have lots of documents to proof-read. Are you a keen reader?

Are you someone who spots the errors, the missing full stops, extra spaces, spelling mistakes?

We need help double-checking the draft Neighbourhood Plan.

You will need access to a computer to do this, but Cornubia in Par has offered the use of one of theirs for anyone who hasn't got one.

Please do contact us if you are willing and able to give some time.
