A challenging time, thanks to Sally (Parish Clerk) for two notice boards. Another board wanted for Glenview, Cllr Wildish suggested Kevin contact Cllr Andy Virr requesting funding (£200)

Flooding at Glenview, CC Highways have been asked to view and suggest/provide a remedy. Kevin to contact Cllr Andy Virr for help and advice.

Digger work required to complete communal plot.

Cllr Page, Cllr A Wildish and Kevin Rouse will have a walkabout individually to avoid Covid-19 issues. Cllr Taylor is sheltering and cannot participate.

Risk assessment has been carried out for Allotment Association members. Kevin asked whether the 30% plot holders who are not Association members should have a separate risk assessment.

Committee agreed there should not be two different assessments for the same allotments. Kevin to circulate the existing risk assessment for comment.

Cllr Taylor agreed to review the budget to see what funds may be available to meet Kevin's requests.

8. Floral Displays in Tywardreath & Par

Request received from Sonia Kline for parish funding for compost and plants to improve the planters in Moorland Road, Par.

Cllr Taylor proposed, Cllr Page seconded and it was RESOLVED that up to £100 be provided for the planters, subject to there being provision available in the budget.

The committee members noted that this does not improve the street scene elsewhere in the parish but the request was for Par alone. Other areas could be considered in due course.

Regardless of the Tywardreath Trotter cancellation the paths will still require cutting. Cllr Page proposed, Cllr Mrs C Wildish seconded and it was RESOLVED that the Parish Clerk should arrange this at the appropriate date.
