

The NDP is good to go!

The Steering Group is delighted to report that Cornwall Council “signed off” on the NDP on 14th January 2021 and the NDP now carries significant weight as regards Development (planning application) decisions. We thank everyone in the community who contributed their time, their ideas and made comments at every step in the process. The final stage will be a referendum, hopefully in the summer. The NDP is on the Tywardreath and Par Parish Council website. [Click here to view.](#)
