

Neighbourhood Priorities Statement Steering Group Meeting

Initial meeting: 1st September 2026 18:30 Teams call

Present

Cllr C Wildish, Cllr D Hughes, Cllr P Oxenham, Dr K Roberts, Mrs K Clarke

Agenda: Establish members, roles and effective method for future meetings and agree the TORs circulated by the Parish Clerk prior to the meeting

The TORs were agreed with the following detail:

Members

Chair: Cllr C Wildish

Deputy Chair: Cllr D Hughes

Secretary: Mrs K Clarke

Dr K Roberts

Cllr P Oxenham

Cllr W Nicholls

Mrs Alison White – special interest in coastal change and flood risk management

Scheduled Meetings

These will be planned to be on the third Thursday of the month at 18:30 in person with venue tbc. This is subject to change in order to meet requirements of quorate group. Four members must attend for a quorum.

Other matters

A member of the public has been identified as being keen to be consulted specifically for wildlife concerns: Mr J Page – Chairman of Friends of St Andrews Wetlands Reserve.

Preliminary material required by the group include an editable copy of the NDP plus statistics sent by Cornwall Council. **Action:** K Clarke to contact Sally Vincent and distribute information to core members of the Neighbourhood Priorities Statement Steering Group (NPSSG)

What interest groups need to be engaged? Suggestions include: Scouts, Guides (if still an active group), letters to parents via schools, preschool etc, Par Bay Community Trust, Church, WI, Friends of Par Beach, Friends of St Andrews Wetlands Reserve, Par Track, other businesses. Modes include local Facebook Groups, PL24 and Tywardreath News and Views.

Potential venues for public consultation with minimal cost, include Polkerris Scout Hall, Par Scout Hall. **Action:** K Roberts to investigate feasibility and report back.

Action for all members of NPSSG: Before next meeting, consider what our priorities should be in maintaining and improving our community. What do we want the planners to take into account when determining what can and can't be developed? This can include access, no off-road parking, likelihood of flooding etc

Next meeting scheduled for Thursday 15th October 2026 at 18:30. Venue tbc
